### Remarks

Welcome to Penn Acres South. A lovely community in the heart of New Castle with shopping, transportation and accessibility second to none. This 2-story colonial has been under the care of its current owners for nearly 2 decades and has been well maintained and ready for its next owner. Enter this traditional center hall layout and marvel over the beautiful hardwood flooring that is throughout this first level. A formal living room, dining room, family room (with wood-burning fireplace), eat-in kitchen, den and laundry room are all on this main level. Upstairs your 3 bedroom layout could easily be a 4-bedroom layout due to the enormous primary suite: which has two closets and a private bathroom. Also on this floor is another full bathroom and two additional bedrooms. Although your basement is currently unfinished it's a great place for storage or finishing to your liking. Outside you can enjoy the covered porch which is just steps away from your shed. Don't let the only home for sale in this community pass you by. Come make this house your home.
